

WYKE REGIS AND LANEHOUSE MEDICAL PRACTICE

GP Online Services

Did you know that you can book/cancel appointments*, order repeat prescriptions and access your medical records online?

If you have a smartphone, the NHS App is a simple and secure way to access a range of NHS Services, including GP Online Services! The NHS App is free to download via the App Store and Google Play. It is easy to sign up and all you'll need is an email address, your NHS number and proof of photo ID.

Once you have passed the NHS App's security checks, you will be able to manage appointments*, order repeat prescriptions and view your full medical record from **1st April 2020**; all from the comfort of your home!

By downloading the NHS App, you will be able to skip phone queues and not have to come into the surgery. You can still contact the practice by phone or in person, this is just another option which other patients have found is more convenient and saves them time.

If you don't have access to a smartphone you can register for online access at reception by providing photographic ID and proof of address, e.g. up to date utility bill.

*due to COVID19, appointments are not currently bookable online.
