

We are not a walk-in centre...

About us

We are a three-site GP practice who aim to provide a high standard of routine medical and nursing care to all of our patients at all times.

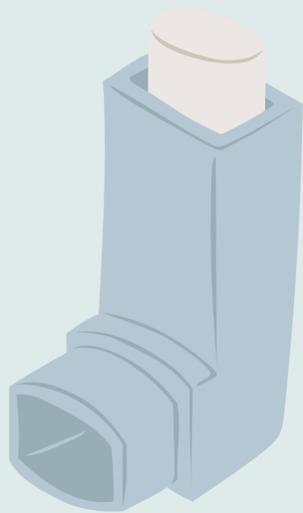

Our dedicated team are here to provide you with appropriate healthcare as well as providing specialist management of long-term conditions and clinics covering a wide range of issues.

What we can help with

We are here to help you. We run a full range of clinics which we feel provides total healthcare for all of the family, including (but not limited to);

- Antenatal
- Long term conditions such as asthma and diabetes
- Cervical smears
- Minor surgery
- Vaccination and immunisation
- Smoking cessation
- Lifestyle
- Travel advice
- Citizens Advice Bureau
- Repeat prescriptions
- Non-emergency mental health needs
- Coughs/colds/generally unwell (please remember your pharmacy can help in the first instance)
- Ongoing/non-urgent medical concerns

Who to contact

Help us to help you.

NHS services continue to be under extreme pressure

NHS Services in Dorset continue to be under extreme pressure. Please be patient and choose the right care. Get the right treatment, in the right place at the right time. At this very busy time your call to 111 or your GP practice may take a little longer to answer than usual but staff will get to you as quickly as possible. Thank you for your patience.

Please speak to a member of staff if you are unsure on any of the details in this poster
